Seeing Confederama first will make your whole trip more enjoyable. Confederama will give you exciting orientation for the wonders you will see from atop Lookout Mountain, giving the magnificent view real meaning.

Mighty armies battled at Chickamauga and Chattanooga in 1863 in action that "sealed the fate of the Confederacy" See history come alive, re-created for your enjoyment.
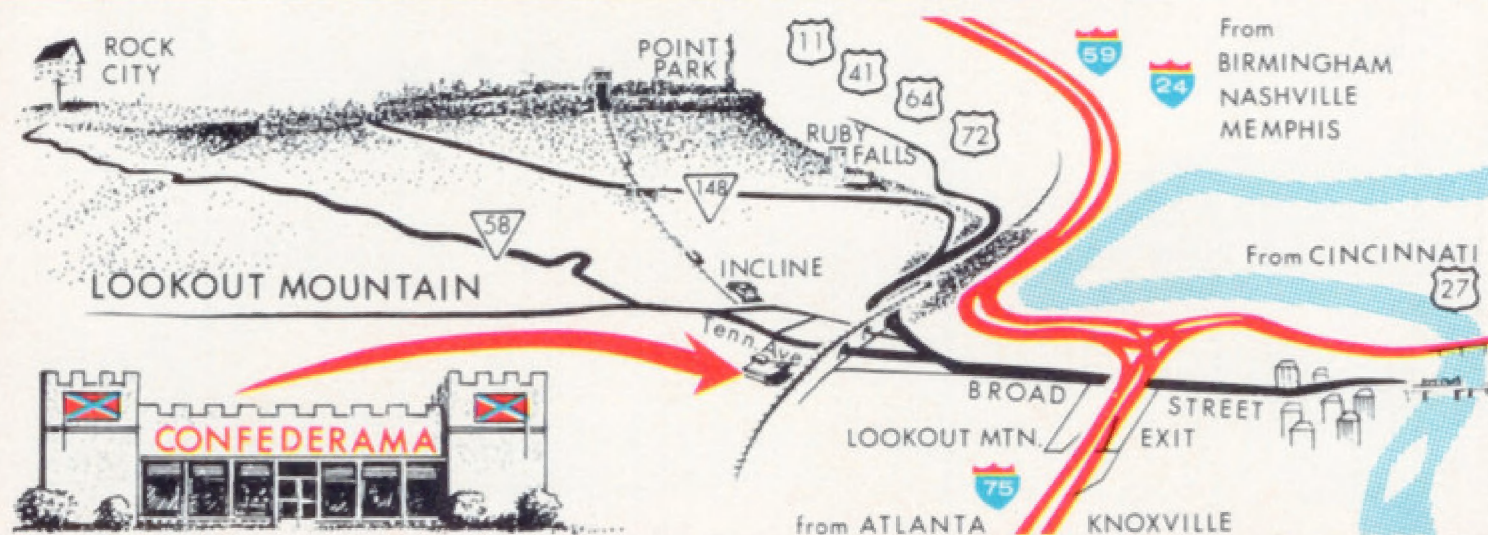

The sounds of battle and the strains of "Dixie" and "The Battle Hymn of the Republic" ring out over the three-dimensional, 480-square-foot reproduction of historic terrain—the world's largest battlefield display of its kind.

More than 5,000 soldiers (made especially for Confederama in South Africa) show where armies moved as guns flash in battle and cannon puff real smoke, accompanied by a shot-by-shot explanation of these historic conflicts.
